Walton Feed Group Order Spring 2007

Food available in bulk bags and boxes, 6 gallon buckets, #10 cans and #2.5 cans

Ordering Information:

Deadline

Deadline to turn in order to your group leader is:
April 28, 2007.

Your Group Leader may have a different deadline for you. Please follow the deadline you have been given by your Group Leader.

It is preferred that you fill out your order on the Excel Price List and send it to your group leader via email. This helps minimize mistakes, and saves lots of time for everyone involved. It is VERY easy to do also. :) Please use the Excel Spreadsheet if you can!!! Email me for a copy if you need one.

Your Group Leader

These orders are organized by groups in geographical locations (Stakes). If you need to know who your Group Leader is, please contact me and I will get you in touch with the right person.

If you would like to become a Group Leader, please email me and I will set you up to do that.

Delivery

Delivery for this order will begin in the summer. Depending on how many trucks we have, it may take 4-8 weeks to get all of the trucks delivered.

Unloading

These orders come on a semi truck, and the food will have to be unloaded. Please be willing to come and help on delivery day or have someone cover it for you. We have an organized system for unloading, and if followed, unloading and distributing will be quick and easy.

Small UPS Orders

For those wanting small UPS orders, please contact me, and I can help you with that. Shipping is more expensive with UPS, but a great option for those needing their food quickly.

Payment

Please write checks to Melissa Coombs or to your Group Leader. Please follow the instructions of your Group Leader concerning payment. Checks CANNOT be written to Walton Feed. They no longer accept personal checks for payment on large group orders.

Please email with any questions. Thanks!
